

**Chapel Hill Cooperative Preschool
Participation Policy and Agreement
(Revised July 2010)**

We welcome you to the Preschool and request that you carefully read the following information.

Number of Hours

As part of the cooperative, each family **must agree to spend six hours each month** participation in the operation of the Preschool, regardless of whether your child is attending on a half time, three-quarter time, full-time basis, or shared slots. Whenever possible please perform jobs during school hours, such as Parent Aide and Staff-up.

Banking Credit Hours

Families may work over six hours in one month and "bank" the extra hours for future use. The Participation Chairperson will keep a record of all credits accrued to date (as well as debits if hours are not fulfilled). When a family wishes to "withdraw" banked credit hours, they may indicate this by signing the Request Calendar for the upcoming month in the space marked "Credit Hours Taken".

You are encouraged to earn extra credit ahead of time if you will be unable to work a particular month due to, for example, exams, vacation, or family commitment.

Job Categories

When feasible, it is preferable for all families to work at least part of their hours with the children during the school day. We believe that maximum parent involvement in our program is a great benefit for the parents, the children, and the Preschool. However we recognize that some families are unable to participate during school hours some or all of the time. There are many jobs scheduled over the weekends or that are flexible as to how they need to be done. Because of the high demand for the weekend jobs of: 1) making playdough, 2) washing sheets, and 3) washing toys, we ask that each family request **only one of these jobs every month**. We will also provide credit for any "special projects" that you arrange with the Director. Here is a summary of jobs (see job description and credits earned on pages 3-6):

Weekday Jobs (Perform during Preschool hours)

- (1) Parent aide, (2) staff meeting substitute (called "Staff-Up"), (3) milk shopping, (4) put away cots, (5) stock bathrooms, (6) bleach solution, (7) wash PM snack dishes

Weekend Jobs

- (1) Saturday workday, (2) making playdough, (3) wash sheets, (4) wash toys, (5) and kitchen clean up (includes cleaning refrigerator), (6) clean small refrigerators

Flexible Jobs (completion arranged with Director) (1) copying, (2) rake playground, (3) wash trash cans, (4) library books, (5) purchasing supplies, (6) special projects (use your imagination), (7) classroom cleaning, (8) "See-Saw" books, (9) recycling plastics and regular cardboard.

Miscellaneous Jobs

- (1) Fund-raising activities, (2) board position.

Payment in Lieu of Participation

In the event a family is only able to work during a particular month for three hours of their six-hours monthly commitment, a payment of \$30.00 can be made in lieu of the non-worked three hours of participation to cover the cost of a substitute. Families are still required to work three hours even if they choose to pay \$30.00 instead of working the other three of their monthly commitment.

Job Assignment Procedure

The Participation Chairperson schedules jobs for all families at the Preschool on a monthly calendar. A "Request Calendar" for the upcoming month is posted on the bulletin board at the beginning of the month by the Participation Chairperson, and remains posted for 7-14 days of the month. It is the responsibility of each family to fill in their desired job(s) on the Request calendar. When performing a job, which does not appear on the Request

Calendar (per special arrangement with the Director or Site Director), contact the Participation Chair directly to ensure that you receive proper credit, or note the job on the master calendar posted in the office.

Some jobs work best if done by the same family over an extended time. When the Request Calendar is posted, the names of families who are doing these jobs will be typed in. If you would like to assume any of these assigned jobs when they turn over, please notify the Participation Chair.

Participation Notebook

Notebook containing detailed direction for individual jobs will be kept in the office.

PARENTS' RESPONSIBILITIES:

Find Replacements: If you are not able to perform your job (e.g., due to illness or vacation) once the monthly calendar has been distributed, it is your responsibility to find a replacement (by either switching with another parent, contacting a parent from the calendar or arranging for a paid substitute). Please indicate any changes on the master calendar posted in the Preschool office and notify the Director. If an emergency occurs that prevents you from performing your assigned job, contact the Director.

Failure to Work Required Hours

If a family fails to meet their participation commitments, the following will occur:

1. The family is fined \$30 per three hours of committed time not worked. The fine must be paid by the 10th day of the following month.
2. If the family fails to meet participation commitments for two months or fails to pay fines as required, the parent will be requested to appear before the Board to explain their failure.
3. The Board will decide on a course of action by majority vote. The Board can decide to expel the family from the school for failure to meet participation requirements; such dismissals will become effective thirty days after the Board actions.

Parent Meetings

There will be one or two evening meeting scheduled during the school year which all board members, staff and parents are required to attend. One is usually held in September at which time information is shared about the school. Childcare is available with a fee.

Annual Workday

In the spring we have a required All Parent Workday, which you can choose from the following alternatives:

- 1) Participate-one parent from each family.
- 2) Make arrangements to do a job before or after the Workday.
- 3) Arrange to pay a fee of \$100 two weeks before the Workday so that we can hire substitutes.
- 4) Pay a fine of a \$150 for non-participation.

We need everyone's help to get the school cleaned and repaired on that day and encourage you to choose option #1 if at all possible.
